**Our intrepid polar explorers venturing north as far as Big Sur on November 12th,
find a micro-scenic, macro-slimy highlight**

It is not known whether this delightful fruit became a morsel at the Big Sur campfire.**

Stopping for lunch in Morro Bay, Mike Kramer, Dagmar Brewer, Bob Phinney, and Marten Walkker (above and below --- plus Harvey Rawn who shot these 2 photos) happen by chance on club-member James Chen (below, right, with banana-slug-color jacket-shoulders) eating with friends then heading for the Hacienda at Hunter Liggett.

At Big Sur campground the riders caught up with earlier-departing Tony Suhrer, Phil Wilson, Doug Wilson, and Jim Spletstoesser. Overnighing, "a good time was had by all with fire, food, drink, and conversation." (Harvey Rawn) "Add in the spectacular ride back on Sunday (after a good rain) that drives home the mental mindset "This is why I Ride! Already looking forward to the 2012 Big Sur ride." (Doug Wilson)
